

# FIND WHAT'S NEXT.

## DELIVERS

an intuitive, evidence-based education and career planning experience for Tennesseans

## SERVES

postsecondary students and adults of all ages

## PROVIDES

empowerment for planning for a job, switching occupations, or moving up in a career

**The Tennessee College & Career Planning System, featuring Kuder Journey<sup>®</sup>, provides *free* guidance and preparation for a brighter future.**

It gives postsecondary students and adults a flexible platform to gain insight and explore an exciting range of occupational and educational options – all directly related to personal career interests, skills confidence, and work values.

**Get started at [www.planningyourdreams.org](http://www.planningyourdreams.org) today!**

## FEATURES & BENEFITS

### Inspires

users to confidently take the next step in life

### Establishes

a solid foundation for career planning based on reliable and validated career interests, skills confidence, and work values assessments

### Adapts

to provide information relevant to unique life stages or circumstances, based on specific, individual needs or barriers to education or employment

### Includes

a comprehensive toolkit of resources to explore **in-demand careers**, find education and training options, create resumes, build and share an e-Profile, and more

### Increases Retention

By using the Kuder system, college retention increased from 73% to over

# 90%.

### Ensures

success with the **inclusion of detailed occupational information** so users can align goals to specific majors and programs

### Promotes

successful usage through companion curriculum, *Take Hold of Your Future™*— ideal for career orientation courses

### Improves

accountability and quantifies program success with robust reporting tools

### Tracks

data so administrators can monitor individual progress or high-level trends and quickly communicate with system users

“We needed a **tool able to engage students and adults** and offer information about professional associations, internships, and employment. **We found all of this and more in Kuder Journey.**”
